1. What’s happened?
   (all involved need the opportunity to provide input)
2. What were you thinking at the time of the incident?
3. How were you feeling at the time of the incident?
4. Who else has been affected by this?
5. What do you need now so that the harm can be repaired?
6. What should occur if this behaviour happens again?
   (Or the contract is not followed)
