Unity College Junior School strives to provide a dynamic, supportive learning environment for students from Reception to Year 5. It aims to foster the development of each individual through participation in a broad and challenging academic and co-curricular program within a supportive Christian framework. Assessment and reporting is designed to inform parents of the individual distance travelled for students and differentiation occurs at all levels of learning.

**Junior School Subjects**
The following subjects are taken by all students in Reception to Year 5:

- English
- Maths
- Christian Studies
- Physical Education and Health
- Arts/Music
- LOTE
- Science
- Geography
- History
- Technology

At Junior Primary level, in particular in the very early years of school, the development of knowledge, skills and understanding about language and literacy is essential and forms the basis of all other learning. Therefore, the curriculum area of English, with all its varied components and activities, occupies the majority of time in a day, closely followed by Maths.

**Junior School Extra Learning Areas**
Extra areas of learning offered include:

- Reception: Swimming (in a heated pool), excursion
- Year 1: Swimming (in a heated pool), excursion
- Year 2: Swimming (in a heated pool), sleep over, choir, excursion
- Year 3: Swimming (outdoor pool in summer), choir, 2 day/1 night camp
- Year 4: Swimming (outdoor pool in summer), choir, excursion
- Year 5: Swimming (outdoor pool in summer), choir, band, 4 day/3 night camp
