

Unity College Little Scholars

Pre-Reception (ages 4-5)

Uniform Requirements and Fee Schedule

COSTS

Unity College values the opportunity to provide our students with a seamless transition into school life. We recognise that a semester in the Little Scholars Program contributes to enhanced emotional and social development, is the best preparation possible for the school learning journey, and sets your child up for a confident and settled Reception year.

In recognition of the value of the program for student and families' long term wellbeing, the College is subsidising the Little Scholars Program, to ensure it is affordable for all families.

The first term of Little Scholars is free of charge, and the fee for the second term is \$756 (payable over Terms 3 and 4 if you prefer). Additionally, students will be gifted their school bag, communication bag and school hat (value: \$105).

The investment of \$9 per day (across two terms) in your child's development is affordable when compared with kindy/childcare costs.

UNIFORM REQUIREMENTS AND UPFRONT FEES

Little Scholars students are required to wear the Unity College Uniform (Sports). The same uniform will transition into Reception in 2024, in line with plans to have Pre-Reception - Year 2 students in sports uniform every day (there is no requirement for formal uniform until Year 3).
